

DFG DAY 21 MARCH 2024

REGISTRATION DEADLINE 13 MARCH 2024

ABOUT US DUTCH FLOW GROUP

DFG day unfolds with a tour and presentations by fellow core members. This day offers the ability to have a look behind-the-scenes in a corporate environment and connect with your colleagues in the field. The day culminates in a networking dinner.

ERIK MUL, BEREND HOOIBRINK, TAMAR TAK, MARJOLIJN HAMEETMAN
DFG committee

VISITING CORE GENMAB

Genmab is an international biotechnology company with a core purpose to improve the lives of people with cancer and other serious diseases. Genmab's proprietary pipeline includes bispecific T-cell engagers, next-generation immune checkpoint modulators, effector function enhanced antibodies and antibody-drug conjugates.

BEN MEIJER
Senior Associate FACS Operator

TALKS

Interesting talks of fellow core members. Sharing the latest information

NETWORKING

We foster connections and collaborative opportunities among participants

DINER

Same location as the meeting, (only for DFG members)
